2019 - 2020 IMPACT REPORT

ACCESS IN THE COMMUNITY

57,567 Neighbors Served by ACCESS in Jackson County

= 1 in 4 People

Feeding Our Community

This year, ACCESS moved **5,317,337** pounds of food through our warehouse

5,906 Households Received Energy Assistance

Veteran Support

In the past year, ACCESS assisted **517** veterans in finding housing and other vital resources in Jackson County. Local landlords and property owners helped meet this need.

Volunteer Impact

Thank you to our **1,100** loyal volunteers who donated **55,166** hours of their precious time to help our neighbors!

FOOD

This year, ACCESS moved **5,317,337** pounds of food through our warehouse. Our network of **25 food pantries**, Food Share Gardens, and nutrition programs served as a lifeline for people in need, including children, families, veterans and seniors.

38,178 neighbors received food assistance

Food Programs

- Provided **27,820** pounds of fresh organic vegetables to local families thanks to Food Share Garden volunteers contributing **3,941** hours
- Distributed **1,497,974** pounds of fresh produce to our local pantry network
- Provided **550** seniors (60+) with **117,422** pounds of food through the Commodity Supplemental Food Program
- Picked up **2,294,571** pounds of food from local grocery stores through the Fresh Alliance program saving millions of pounds of food from going to waste
- Packed and distributed more than **35,000** food boxes to feed the community in response to the impact of COVID-19 (March – June)

WARMTH

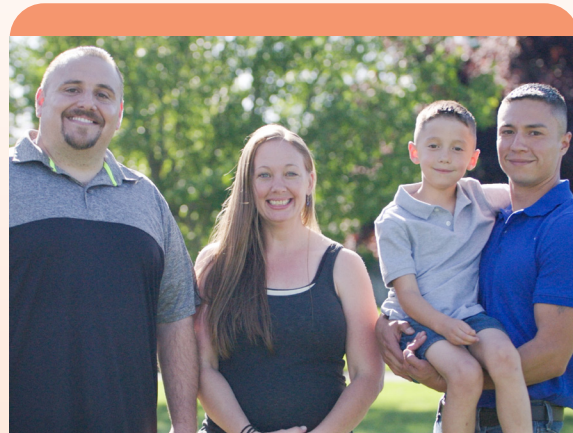

Energy Assistance & Weatherization

ACCESS provides low-income residents with no-cost energy efficient upgrades to their homes.

- **5,906** households received energy assistance, representing **12,873** people, reducing their annual heating expenses and keeping them warm and comfortable during the cold winter months
- **94** homes received weatherization services from ACCESS, saving occupants an average of \$360 annually. This energy assessment includes installation of insulation, heating system repairs and air sealing.

“I saw an ACCESS truck go by, and it reminded me that you’re out in the community doing good work.”

Community Member

SHELTER

Housing Services

ACCESS is an approved HUD Counseling Agency that promotes affordable, stable rental and homeownership opportunities. ACCESS manages or provides **affordable housing** for families, seniors and people with disabilities.

- More than **1,175** people were helped with foreclosure issues or purchasing their first home
- We helped more than **1,377** individuals (homeless or at-risk of homelessness) with support that helped secure clean, safe and affordable rental housing
- **490** of those served were children under 18 years of age that now have a place to live
- **246** families affected by COVID-19 received housing assistance from March – June

ACCESS Strives to Never Leave A Veteran Behind

At ACCESS, we are committed to ensuring veterans who are struggling with homelessness find and obtain a safe, affordable place to call home.

In the past year, utilizing the Supportive Services for Veteran Families (SSVF) grant, ACCESS assisted **517** veterans with affordable housing and other vital resources in Jackson County. Local landlords and property owners continue to work with us to meet this need.

MEDICAL EQUIPMENT

- **3,353** people borrowed durable medical equipment last year, from crutches to hospital beds
- We loaned **4,126** pieces of medical equipment at no direct cost to the community
- Total community savings equivalent to **\$951,538** in rental/purchase costs

*Program closed from March through September due to COVID-19 precautions

Volunteers

Thank you to our over **1,100** loyal volunteers who donated **55,166** hours of their precious time to help our neighbors!

55,166 hours = \$1,402,871
