FOOD
WARMTH
SHELTER

Dear Community Members,

It's remarkable to think that there are still hundreds of families who have yet to find permanent housing after the 2020 wildfires but it's true. Since opening in 2021, the ACCESS Center for Community Resilience (CCR) has helped fire survivors find housing, provided rental and utility assistance, outfitted their new homes with furnishings, and provided intensive support and case management to help families stabilize and restore their lives. CCR services range from finding affordable rental housing to homeownership. Over the past year, the CCR has served more than 500 households and is currently providing over $350,000 in rental assistance every month. Additionally, the CCR has provided more than $1,000,000 towards home purchases for wildfire survivors.

I would like to recognize the work of our CCR staff and all ACCESS staff, who work tirelessly to serve those impacted by the wildfires and serve to our community. Their commitment and dedication to helping those in need has had a profound impact on the lives of those who lost so much.

Additionally, our partnerships with local and state organizations have been vital to the success of the CCR. Most importantly, the support we continue to receive from this community inspires our work every day.

We are grateful – thank you!

ACCESS NEWS BRIEFS

Mayors Unite to Build Community!

Our 13th Annual Mayors United event is on Friday, October 7th at Bigham Knoll in Jacksonville. The event brings together Mayors and community members from across the Rogue Valley to build a better community for all. Read more on page 9

September is Hunger Action Month

Every year during the month of September, people across the country stand together and take action to fight hunger in their local communities. This year families need our help more than ever. Help us feed local families right here in the Rogue Valley during Hunger Action Month.

ACCESS Volunteer Greeters

The ACCESS Volunteer Program has a new role for those interested in playing a part here on-campus: Volunteer Greeters! This valuable role offers a warm welcome and general guidance to clients, vendors and guests. Apply on our volunteer webpage if you'd like to join us!

Wildfire Survivors Purchase Home

Purchasing a new home is stressful even in the best of times, but when catastrophic circumstances throw someone into that situation unexpectedly, stress is multiplied by uncertainty, instability, and even grief. Cesar DeLeon and Irma Ramirez learned this first-hand when their trailer burned down during the 2020 Almeda Fire, leaving them with no home and, without insurance, no ability to get into another one.

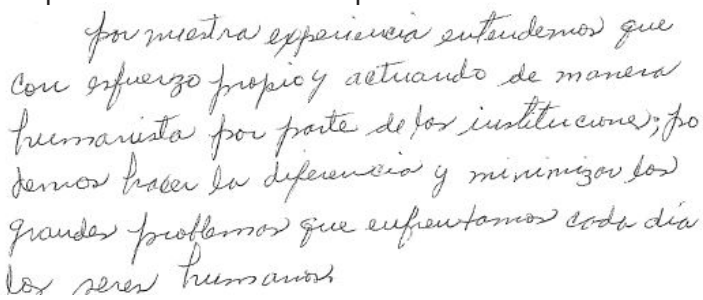
After the fire, Cesar and Irma, both in their mid-60s, bounced around from hotel to hotel using FEMA funding to pay for their stays. During this time, they worked five different jobs between the two of them to cover living expenses, sharing their one vehicle to make it all work.

Eventually, they landed at their boss' apartment, which, thanks to his generosity, they were able to temporarily live in rent free. This gave them some financial breathing room and allowed them to think about having their own home again.

In April 2022, Cesar and Irma had an appointment with ACCESS Wildfire Housing Counselor, Adriana Ramirez. Adriana was able to help guide them through the application process and ACCESS provided funds to help complete the gap between the FEMA money they received to help replace their lost trailer and the cost of a new one.

The couple was able to secure a space at Medford Estates, and on July 15, they moved into a brand-new home. In a heartfelt letter, Cesar and Irma "express their eternal thanks" to ACCESS for making it possible to obtain their home, calling it a "miracle of love."

Excerpt from letter written in Spanish:



por nuestra experiencia entendemos que
con esfuerzo propio y actuando de manera
humanista por parte de las instituciones; po
demos hacer la diferencia y minimizar los
grandes problemas que enfrentamos cada día
los seres humanos

English Translation:

"From our own experience we understand that through our own efforts and acting in a humanitarian manner through organizations like ACCESS; we can make the difference and minimize the great problems that our fellow human beings face, day to day."
-Cesar De Leon & Irma Y. Ramirez

Help Without Judgement

Margo and her dog, Bella, were living in her car at the start of the COVID-19 pandemic. Margo has a heart condition. Obtaining stable housing was important to help her stay as healthy as possible. Fortunately, ACCESS was able to use COVID relief funds to help provide shelter at a local hotel.

On June 15, 2022, Margo and Bella had another big reason to celebrate when, with assistance from ACCESS' rent relief program, they moved into their new apartment. Now, Margo and her dog Bella can enjoy their new home together. "There's a level of customer service but also a level of caring the people at ACCESS give you," Margo says.

"There's absolutely no judgment, and I really needed that"
– Margo

ACCESS Helps Veterans in Need

The goal of ACCESS' Veteran Services is to end Veteran homelessness, but there is no cookie cutter way to reach that goal. One such veteran is Gary Pool. An Iowa-based charity had a steady job and an apartment ready for Gary- all he needed to do was get there. For Gary, who was unhoused, this was a big hurdle. He didn't have the resources to make the trip.

Using flexible funding, ACCESS provided Gary with a plane ticket and meals to make the trip to his new home. The program helps hundreds of Veterans find and maintain stable housing every year.

It's through donations from people like you that we can meet the unique needs of Veterans and help them find stability.

Need for Food Increases as Costs Rise

As anyone who has been shopping recently knows, prices have gone up on just about everything. For some people, this means making adjustments to monthly budgeting, but for others, it means they may struggle to pay for basic necessities, including food.

Since the beginning of the year, visits to ACCESS food pantries have increased by over 60%. “In over six years of working in food pantries, I have never experienced the weekly demand for food assistance that we have had this year,” says Jim Foucault, West Medford Pantry Manager. “One woman who had never been before was there because the cost of buying milk for her three children had gotten to be too much.”

FOOD PROGRAM BRIEFS

Local Elementary School Donates over 7,000 Boxes of Cereal

In June, Mae Richardson Elementary School donated over 7,000 boxes of cereal to the ACCESS Food Bank - and they broke the world record for largest cereal box domino chain! Congratulations, students, and thank you for helping your community!

Fighting Childhood Hunger in Full Swing!

Thank you to everyone who has contributed to our summer campaign, Fighting Childhood Hunger. These funds will help provide meals for families not only over the summer, but they will also help us purchase food for the ACCESS Rogue Powerpack Program once school starts. This backpack program gives food insecure students food options over the weekend when they don’t have access to school meals. There is still time to donate – we only need $5,000 more to reach our $25,000 goal! Remember, with every $1 donated we can provide four meals.

ACCESS Energy Asst. Program to the Rescue!

Tracy contacted the Energy Assistance Program for help because her water had been shut off. Tracy is 54 years old, lives alone in Central Point and is on a fixed income. Staff met with Tracy to learn about her situation and was able to provide $200 toward her water bill. That allowed her water to be turned back on by 4:30pm the same day, as well as providing a month's credit to help Tracy moving forward.

Once the emergency of reinstating Tracy's water was addressed, ACCESS noticed that Tracy had a Pacific Power bill with a total past due balance of $1,896. ACCESS was able to use two funds and pledge a total of $2,320 to help her with her bills. ACCESS also helped Tracy with an additional fund for her Avista bills. ACCESS was able to assist Tracy with a grand total of $2,850 worth of assistance! ACCESS then referred Tracy to our Weatherization program so she could get on the waitlist to have her home weatherized and reduce her future energy costs.

"I am very happy with everyone at ACCESS and I feel replenished! The process was smooth and quick and I was so happy to get my water back on." -Tracy

Weatherization Program Providing Assistance Even During Pandemic

Pedro signed up for the Weatherization Program in 2018. His name came up on the waitlist and he was contacted in October of 2021. The Weatherization team obtained Pedro's documentation and not only qualified him for the program, but also provided $500 in energy assistance. With adjustments made during the pandemic, ACCESS was able to give Pedro the option of staying safe in his home while being able to complete all necessary documents for the program. ACCESS was able to get all the required documentation, including the agreement, signed in a matter of hours.

ACCESS then completed an assessment on Pedro's home and sent a contractor out to complete the improvements, which, due to supply shortages, took 6-months to complete. Every time an ACCESS employee or a contractor came into the home, ACCESS ensured that COVID protocols were taken to so that Pedro and his family stayed safe. In the end, ACCESS was able to assist with duct sealing, air Infiltration, floor insulation, window replacement and ventilation among other energy related repairs. ACCESS was able to utilize federal and state funds to make Pedro's home more energy efficient.

"I would like to thank ACCESS for what they did to help us insulate our home, without their help we would not have been able to do it. Incredibly happy and grateful for what ACCESS is doing to help the Hispanic community, I would definitely recommend more families to contact ACCESS for the various services it offers to the community."
- Pedro

New Foreclosure Prevention Resources Available

The ACCESS Homeownership Center is Jackson County's only HUD-approved housing counseling agency. ACCESS and the Oregon Homeownership Stabilization Initiative are now providing foreclosure prevention programs for homeowners struggling to pay their mortgage. Homeowners worried about keeping up with their mortgage payments can call 211 to be connected with a certified housing counselor, visit www.oregonhomeownerhelp.org or call (541)691-7791 for help.

Jo Ann poses with her brand new home the day it got delivered!

One Step Closer to Home

Jo Ann lost her home in the 2020 Almeda Fire. A year and a half ago, Jo Ann purchased a new manufactured home using insurance and FEMA funding. There was an extensive wait for the house to be completed. On June 7, 2022, she was referred to ACCESS' new Repair and Infrastructure Program. The program was born after The Wildfire Recovery and Resilience Account (WRRA) updated its guidelines to include infrastructure-only projects. As part of the Center for Community Resilience, Housing Engagement Specialist Will Emond assisted Jo Ann in receiving WRRA funding to pay for her infrastructure costs. On August 5, 2022, Jo Ann's new home was delivered and now the final steps of infrastructure can begin, bringing Jo Ann another step closer to starting her life in her brand-new home.

"I so appreciate your efforts to help me make my fire recovery journey successful. I'm really looking forward to making it a real home." -Jo Ann

Holiday Senior Shoebox Project is Back!

After a two year hiatus, the Holiday Senior Shoebox Project is back for 2022. The purpose of the project is to bring holiday joy and cheer to seniors, people with disabilities, and homebound individuals who might otherwise not receive a holiday gift.

Donors fill wrapped shoeboxes with household items, cards, post-it notes, crossword puzzles, toiletries, and holiday trinkets. Box lids and shoeboxes should be wrapped separately. Our goal this year is to collect 2,000 shoeboxes!

ACCESS will accept shoebox donations from October 17th through November 21st. Shoeboxes will be delivered by volunteers during the week of December 5th. If you are interested in donating and/or volunteering to deliver gifts please contact Rose Miller at 458-488-1241.

"It was the best gift I have ever received in my 94 years. It was as if the donor knew me. I felt like a little girl on Christmas Day."
-Shoebox recipient

Over The Top Wig Program

The Over the Top Wig Program provides free wigs, hats, and scarves to those experiencing hair loss due to cancer treatment or other medical diagnoses.

The program has helped hundreds of participants experiencing hair loss feel more comfortable. If you're interested in obtaining a free wig, hat, or head scarf, please call 541-494-1219 below to make an appointment. An indevidual fitting will be scheduled for you in our private wig room at ACCESS with a qualified and trained volunteer. The volunteer will help make sure the wig fits properly, and that you're happy with the color, style, and fit.

After the perfect wig is found, it's yours! Instructions about care are provided and you'll always have access to an Over the Top volunteer in case you have any questions.

If you would like to donate to the Wig Program go to accesshelps.org/donate

13th Annual Mayors United Event

On Friday, October 7th, ACCESS will hold its 13th Annual Mayors United event at Bigham Knoll in Jacksonville. Mayors United brings together the 11 Jackson County Mayors, business and philanthropic leaders, and caring community members in support of the ACCESS mission to feed, warm and shelter our most vulnerable neighbors. "The Mayors United event brings people from around the Rogue Valley together to stand united to build a better community for all," says Carrie Borgen, Executive Director, ACCESS.

The event is an exciting evening of delicious food and wine from local vendors, entertainment from The Brothers Reed, a live and silent auction, and much more. The success of this event helps ensure ACCESS can serve the 1 in 4 people who need our help. All proceeds raised at the event directly support those in need.

"We have seen an overwhelming level of support this year from businesses and the community overall wanting to be a part of the event. It's been really heartwarming," says Kellie Battaglia, Advancement Director, ACCESS. A special thank you to our Title Sponsor, Wells Fargo, who has supported the event for more than a decade, and to all of our sponsors and mayors for making the event possible.

46 Years of Community Support

ACCESS was founded in 1976 and since that time we have been fortunate to have amazing community support. So many of our donors have supported us for decades. We could not serve more than 1 in 4 people in Jackson County without the support of dedicated donors like YOU!

DEVELOPMENT BRIEFS

ACCESS Golf Tournament Raises Most Ever

Our 18th Annual Golf Tournament held on Monday, June 27th at Rogue Valley Country Club raised more than $107,000 in support of our mission. A great time was had by all. Thank you to our Title Sponsor Boise Cascade and all of our sponsor teams for their generous support!

Volunteer Appreciation Event

On August 24th, 2022, ACCESS staff and volunteers gathered together by the river at TouVelle State Park to share food, games and fellowship in recognition of the generous hearts and countless hours of service offered by our volunteers throughout Jackson County each year. To all ACCESS Volunteers: We Honor YOU, and we THANK YOU!

"ACCESS does so much for the community. More than most people even realize. They are known for certain things, like food boxes, rental assistance and so on. And not alone helps so many people. But they do so much more and help so many people. They have housing which is really amazing for low-income individuals. I'm so glad that Southern Oregon has such an amazing place that helps people."

We want to say thank you from the bottom of our hearts to our generous community. It takes all of us coming together to help those in need. We are grateful for YOU!

When I donate to ACCESS, how is my money used?

ACCESS is committed to being responsible stewards of all donations and gifts. The support and trust of our donors is of utmost importance to us.

Unless directed to a specific program by the donor, donations received are allocated to programs serving the needs of our community: food & nutrition programs, housing programs, energy assistance programs, and wildfire relief. Many programs are funded by grant funds, with donations allowing ACCESS flexibility to meet the unique needs of our program participants. In 2022, under 10% of ACCESS expenses were overhead costs!

ACCESS has earned the highest level of recognition by both Guidestar and Charity Navigator, so you can feel confident about giving to ACCESS.
