FOOD WARMTH SHELTER

Dear Community Members,

As I reflect on the past year, I feel an overwhelming sense of gratitude. I am grateful for the unwavering support and trust this amazingly generous community continues to show our organization, and for the ACCESS staff who work tirelessly every day that I am honored to lead. With 1 in 3 people in our community relying on ACCESS for food, warmth and shelter every year, the strong support of our community allows us to serve those in need.

ACCESS recently completed a comprehensive Community Needs Assessment to identify and measure the causes and conditions of poverty in our community. The report showed that our poverty rate continues to be more than the national average with high housing costs being identified as one of the most significant contributing factors. As the county's Community Action Agency, an important part of our mission is to offering an array of affordable housing solutions, including providing affordable rental housing, rental assistance, down-payment assistance, and foreclosure prevention services. Affordable housing and addressing issues of poverty will continue to be a major focus for us in 2023 and beyond. I look forward to working with local and state government and nonprofit partners to bring resources and offer solutions to our community to address these challenges.

With gratitude,

CARRIE BORGEN
Executive Director

Sherm's Markets Help Fight Hunger over the Holidays

For over 25 years, the Olsrud family has shown unwavering support for the ACCESS Food Bank. Sherm's Markets held their Grocery Bag Drive in December and ended the year with the Annual Sherm's Truckload Delivery, donating 25,876 pounds of food to help feed our community. Thank you to the Olsrud family for their ongoing support!

Kaleidoscope helps Feed the Hungry!

Kaleidoscope Pizzeria & Pub held their 14th annual Feed the Hungry event on November 8, 2022. All proceeds from orders of food and non-alcoholic beverages were donated to the ACCESS Food Program. In the past 14 years, they have helped provide over 707,264 meals to our community! Thank you to Kaleidoscope and all their customers for this support.

DutchBros spreads the love in our community

Thank you so much to DutchBros and their customers for their support through DutchLuv in February. Over the past 20 years DutchBros and their customers have provided close to 600,000 meals to help ACCESS fight hunger here in Jackson County. Thank you DutchBros for spreading the love and helping to feed families!

Volunteers

It's Because of YOU

Volunteers are the lifeblood of our ACCESS programs!

We would never be able to feed, warm and shelter this community without their support. We rely on more than 650 volunteers a year to help pack our food boxes, staff our Severe Weather Shelter and operate our food pantries. We are so grateful and thankful for all our dedicated volunteers.

Interested in Volunteering?

Please contact Volunteer Program Supervisor
Dana Daniels at volunteer@accesshelps.org.

Severe Weather Shelter Volunteers Make a Difference

Two of the Medford Severe Weather Shelter (MSWS) volunteers illuminate the importance of volunteering in our community. Jake was homeless for 15 years; he met Laura, while she was volunteering with a local service agency. He got clean and sober, they fell in love and married, and now live a happy, stable life together. Jake and Laura consistently volunteer at the MSWS whenever they are able.

“They are the most amazing and dedicated volunteers,” says ACCESS Lead Outreach/Peer Support Specialist, Hope Durham. Jake knows many of the participants who visit the shelter and he loves connecting with them while volunteering. By volunteering they are able to help others and spread hope within our community.

ACCESS Food Programs

Experiencing an Increase in Pantry Visits

Over the last six months, ACCESS has seen a steady increase in the number of pantry visits, with some pantries experiencing spikes of up to 80%.

With SNAP Emergency Allotments slated to end in February, this trend is expected to continue and very likely intensify. Thank you to everyone who contributes volunteer time or financial support to help provide food options for our community – it is needed now more than ever!

ACCESS Food Program Awarded Grant from the City of Talent

Last year, an opportunity for a \$250,000 grant to purchase much needed equipment for the Food Department became available, but the funding could only be requested through a local government, not by ACCESS directly. Enter the City of Talent.

“I cannot express how grateful we are to Talent for stepping up to help us obtain this grant,” says Marcee Champion, Food Programs Director. “We had a wish list of items that would help us with capacity building and didn’t know when, if ever, we would have available funds to purchase them.”

One of the most exciting purchases the department has made is a large van that will be converted into a

mini-Mobile Pantry. The van doubles the Mobile Pantry fleet and makes it more cost effective to go to rural areas. It is also useful for locations where the larger Mobile Pantry doesn’t fit.

Talent City Manager Jordan Rooklyn was eager to support the ACCESS pantry program. “It provides an essential service to our community. We are grateful for the work pantry volunteers do and for our partnership with ACCESS.”

Other equipment will include a work van, a pallet wrap machine, and commercial freezers and refrigerators for some pantries.

Marcee and Kellie with Barb and Len Eaton of Toymakers of Ashland

Toymakers of Ashland donate over 400 handmade toys to the ACCESS Rogue Powerpack Program

The ACCESS Rogue Powerpack Program provides bags full of nutritious, child-friendly food to elementary school children who are receiving free breakfast or lunch at school during the week but may lack adequate food at home over the weekend. There are currently 439 students enrolled in the program. Toymakers of Ashland are a neighborhood group that began in 2017 to create small handmade wooden toys for children in need.

When they heard about the Powerpack Program, the toymakers united and sprang into action! This all volunteer group worked tirelessly during the Thanksgiving holiday to meticulously build and paint 439 toys so every child in the program could receive one very special Christmas gift. Thank you to the toymakers of Ashland for bringing holiday joy to so many children.

Rental Assistance Helps a Family Off the Street

Michelle with two of her children

When Michelle separated from the father of her two youngest children, she lost her financial stability and eventually became homeless. Due to homelessness and a lack of a safety plan, the Department of Human Services got involved with Michelle and her children. She entered the Bridges Program soon after and was assigned Dottie Hernandez, an ACCESS Family Housing Specialist.

One challenge was an unpaid bill for \$2,500 that was keeping Michelle from being accepted into new rental housing. Together, they made new action plan, the bill was paid off, and, after a lot of hard work and dedication, Dottie was able to find Michelle stable housing where she could live with her children.

“Dottie has went as far as coming to give us rides to get groceries, always making sure we had rides, and just helped with everything in general. Everything. She’s amazing,” Michelle states. Now that Michelle’s family has a safe place to live, her 17-year-old daughter has moved back in with her and her grandchildren come to visit.

“You made me feel like it wasn’t the world versus me anymore. You put hope in me when I wanted to give up; you hear me when I speak!!!”
— Michelle

The Bridges Program with ACCESS is a coalition of Child Welfare, Self-Sufficiency, and the Jackson County Housing Authority. The program works with families that are coming out of drug addiction and/or domestic violence situations to help them overcome their barriers. The Bridges Program encourages and supports them to set and meet goals in finding housing, employment, and or education to become self-sufficient in housing stabilization. Weatherization helps a homeowner

THE ENERGY IMPACT

“I am so very thankful for your help and concern for my wellbeing. No one has ever made me feel ashamed to ask for help when I’ve really been in need of help. I’m so very thankful.”

• • • •

“I would not have survived without ACCESS. I would be without electricity certainly. Weatherization reduced my power bill by 80%. You do great work. Thank you.”

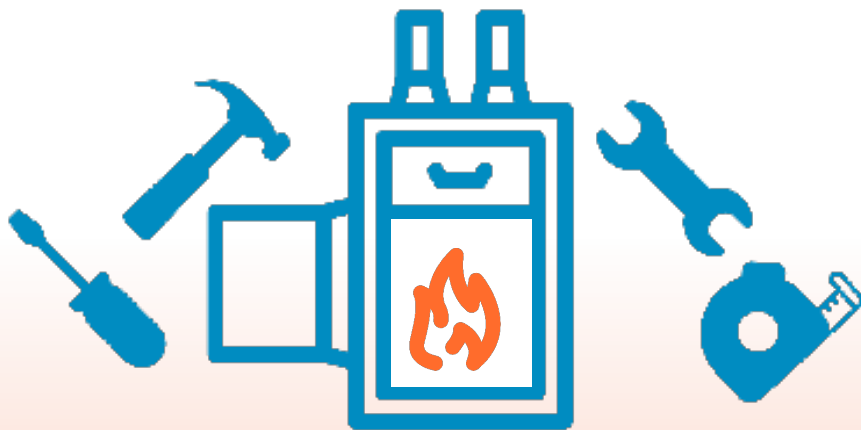

• • • •

“There aren’t words to describe how grateful I am for all that ACCESS does for so many people. The assistance that I receive is life changing for me, as my stress lessened so much because of financial aid through energy assistance. Thank you all for everything you do. You are angels on this Earth!”

SHELTER

Medford Severe Weather Shelter Opens in New Location

Medford Severe Weather Shelter
New Address: 332 W 6th Street, Medford, OR

The Medford Severe Weather Shelter (MSWS) opened up for the winter season in its permanent location at 6th and Ivy St. in downtown Medford. The new location allows our team to serve more people who are experiencing homelessness in a safer environment. The shelter opens from 5:30 pm to 8:30 am when temperatures drop to unsafe conditions as determined by the City of Medford. The shelter serves an average of 60 people a night with clean beds, a warm place to rest, and a warm meal, as well. The MSWS, operated in partnership with the City of Medford, is instrumental in saving the lives of unhoused individuals. If you or someone you know needs help, call **(541) 779-6691** or visit accesshelps.org/medford-severe-weather-shelter/

HOUSING BRIEFS

Did you know ACCESS has a Regional Homeownership Center?

ACCESS offers homeowner education, housing counseling, and down payment assistance for potential homebuyers. Through programs for First-Time Homeowners, we provide training and support to help with down payments as well as education about managing mortgages. Our Individual Development Account programs help people thinking about homeownership save for that investment, and for existing homeowners, we offer classes to learn about debt, credit, and foreclosure assistance. As the only HUD-Certified Housing Counseling agency in Jackson County, ACCESS is proud to support our community from pre-purchase education through closing to help people achieve their goal of homeownership.

Berdina and her son

The Impact of Homeownersip

A letter from a participant of the ACCESS Homeownership Program

Dear ACCESS,

I am writing to express my deepest gratitude for all the help and support you have provided my family. My son and I have suffered through a long string of small, cramped rentals, some with excessive mold, which led to multiple hospital visits. As a renter, I didn't feel healthy, safe, or secure. I became determined to become a homeowner and take control of my own living situation. It has always been a dream of mine to have a house where my extended family can gather for holidays and have enough space for exercise, and display my son's Lego collection and my own art.

Thanks to the dream savers program, that dream is becoming a reality. I was able to start saving with the IDA program. It wasn't easy. For more than two years, it meant no vacations, no going out to dinner, and keeping to a tight budget like eating things like rice and beans. With your help, my savings were tripled, which helped me save up a total of \$12,000. Additionally, I received a \$1,000 grant from ACCESS, bringing the total amount to \$13,000. The new house I am getting is over 1700 sq. ft., more than double the space of my last rental, with things we've never had like a private backyard, a 2-car garage, and even a brand new, hvac heat pump. All this, and my monthly housing expenses will actually be going down!

I am incredibly thankful for the opportunity to become a homeowner. This is a life-changing experience for my son. I couldn't have done this without your help, and I am forever grateful.

Thank you, Berdina Hermans

ACCESS Completes Community Needs Assessment

As the local Community Action Agency, ACCESS commissioned the 2022 Jackson County Community Needs Assessment to be conducted by the Southern Oregon University Research Center (SOURCE). The assessment includes key findings on the causes and conditions of poverty in Jackson County. By gathering data through focus groups and community engagement, key issues for our cities and rural areas have been identified. With this data, we will be able to better fill the needs of this growing, changing community.

Working with our community was key to gathering data for this assessment. SOURCE used surveys, focus groups, and data analysis when compiling this 145-page report. They discovered county-wide concerns as well as specific concerns facing certain populations such as

seniors, the Latinx community, and those living in rural areas. The issue at the top of the list county-wide is the high cost of housing.

The end goal of this assessment is to identify the needs of our community and adapt to meet those needs.

“ACCESS provides programming designed to meet the needs of the community, including rent and utility relief, home-ownership support, nutritional support, Veterans services, and more. This assessment gives us a better understanding of unmet needs so we can strategically work to address them.”

– Executive Director Carrie Borgen

Kelly Szott, Ph.D.

ACCESS Board Approved 12/16/2022

Key Findings:

- High-cost housing market is a critical issue.
- Finding employment is a concern and entry-level wages do not support housing costs.
- Support is needed for utility payments, rent, and move in costs.
- Elevated gas prices limit travel, decreasing access to healthcare and affordable food.
- In-person, individualized case management is needed.
- Cultural understanding of the Latinx community is needed.
- Rural areas struggle with internet and cell phone services.
- Public transportation in rural areas is also a concern.
- Childcare and language translation for those seeking employment is lacking.

Securing Long-Term Housing for Wildfire Survivors

Along with community partners, including case managers from the State of Oregon and other local organizations, the ACCESS Center for Community Resilience is helping those who were impacted by the 2020 Jackson County wildfires to find a place to call home.

Our mission is to transition fire survivors from living in hotels or other precarious housing to more stable and suitable housing options. If you were affected by the 2020 Jackson County wildfires, the CCR may be able to assist you.

THE CCR IMPACT

A Letter from a Fire Survivor

To The Center for Community Resilience

"When I entered the program in April I felt hopeless, depressed, and had so much anxiety. As we started working together developing plans and really seeing progress toward rebuilding my life, I could start to see the light at the end of the tunnel. Hope revived. I don't think that could have happened without you. We have made so much progress. We have a couple adjustments we are still working on in the way we spend money but there is already such a difference. It feels good to have money in the bank for emergencies. My car broke down and I had to get it in the shop. And it was easy. I had the money. There is still money in there. This is really happening for me. That has given me room to do some healing and create some peace after the fires. Before this program, I would not have believed that was possible. Thank you for everything."

Santa and his helpers

Greystone Court Brings Christmas Cheer!

This year's Greystone Court Food & Fund Drive kicked off in early December with the main event happening the week of Christmas from December 21st through the 24th. Santa Claus and holiday cheer brought joy to thousands of children and adults alike.

We collected 6,740 pounds of non-perishable food and \$20,809 in cash donations with a matching donation from Asante. We felt so much love and support from our community. With all this help, we were able to provide more than 100,000 meals!

Every dollar and donated food item truly makes a difference in the lives of our most vulnerable neighbors. We are so thankful for all the support and kind words we received during this Greystone Court Food & Fund Drive. We would also like to thank the Greystone neighborhood for generously hosting us over the past 22 years. We hope you all felt the Christmas spirit, we know we did!

Senior Shoebox Makes a Triumphant Return!

Through the care and engagement of many of our supporters, the 2022 Senior Shoebox project was brought back after a three year COVID hiatus. More than 850 boxes were collected and delivered far and wide throughout Jackson County.

Many volunteers assisted with procuring shoeboxes, both wrapped and unwrapped, along with precious items to stuff in them such as pocket calendars, pens, and assorted toiletries. Local youth and school groups contributed by creating and delivering boxes.

We had the help of Food & Friends, the organizers of the Meals on Wheels project, who supported the effort by distributing 450 of the boxes to hands that could use the extra care. ACCESS staff members were able to share a few boxes with those they serve, including senior fire survivors, some of whom are still living in transitional housing while they wait for a permanent place to live.

Each and every contributor, no matter the level of involvement, was crucial to the success of this decades-long project that brings a sense of connectivity to isolated individuals in our community. From the bottom of our hearts, we thank those of you who contributed to this wonderful project!

DONATIONS RECEIVED BETWEEN JULY 1, 2022 AND DECEMBER 31, 2022

If we failed to list your name or have it listed incorrectly, please accept our apologies and let us know so we can correct our records.

**We want to say thank you
from the bottom of our hearts
to our generous community. It
takes all of us coming together
to help those in need.
We are grateful for YOU!**

*"ACCESS does so much for the community. More than most people even realize. They are known for certain things, like food boxes, rental assistance and so on. And that alone helps so many people. But they do so much more and help so many people. They have housing which is really amazing for low-income individuals. I'm so glad that Southern Oregon has such an amazing place that helps people."
– ACCESS Donor*

When I donate to ACCESS, how is my money used?

ACCESS is committed to being responsible stewards of all donations and gifts. The support and trust of our donors is of utmost importance to us.

Unless directed to a specific program by the donor, donations received are allocated to programs serving the needs of our community: food & nutrition programs, housing programs, energy assistance programs, and wildfire relief. Many programs are funded by grant funds, with donations allowing ACCESS flexibility to meet the unique needs

of our program participants. In 2022, under 10% of ACCESS expenses were overhead costs!

ACCESS has earned the highest level of recognition by both Guidestar and Charity Navigator, so you can feel confident about giving to ACCESS.
